# GIBNEY'S PUB

Many don't know what to do with themselves the first time they walk through these doors. Is it a bar only? Is there a hostess? What's that line over there for?

Here's the deal. Monday through Friday from 11 am to 3pm, we offer a deli-style lunch service. This allows us to get you the freshest and fastest food possible. It also allows you to get back to your place of business as soon as possible. So there won't be a waiter around to take your food order, but we think you'll be happily surprised by your experience.

The bartender *will* be happy to take a cocktail order and bring it to your table.

If you decide to belly up to the bar, you can get full service from the bartender.
